To whomever it may concern

This letter is to verify that Nishanth R (Reg. No. 18BME1024), a student of B.Tech - Mechanical Engineering, Vellore Institute of Technology (VIT), Chennai, Tamil Nadu was employed at Precimech Components and co. in the position of design engineer. This position was Project Internship cum Part Time Job. His project was all about design and fabrication of an unmanned ground-vehicle of various parts with its required electronic sensors for agricultural uses.

During the period of his programme with us he demonstrated good design skills with a self-motivated attitude to learn new things. His punctuality, progress and behaviour were good as rated by the Department Heads. Because of his dedication and hard work, he was also given special sponsorship from our materials department for his further projects. We wish him all success in his future endeavours.

Nishanth commenced employment in the above mentioned position with our company on 5th of August 2019 until 5th of February 2020.

If you require any additional information, please contact me on +91-9841810946 or precimechraj@gmail.com. I look forward to hearing from you.

Warm regards

For Precimech Components co.,
